

Applied Music Program Application for Audition

Please fill out this form electronically (preferred) or print clearly. See smc.edu/amp for complete instructions, deadlines, and program guidelines. Email this form and all required application materials to AMP@SMC.EDU. If you do not receive a confirmation reply within two business days, please contact the music office via telephone at 310-434-4323.

Name of Applicant

Email

Postal Address: Street

Phone

City, State Zip Code

SMC ID#

Area of Study

e.g., classical voice, trumpet, jazz piano, composition, etc.

Current Private Instructor or
Performance Class Instructor

optional

1. List all the college-level music courses you have completed, indicating the school if not Santa Monica College.

2. Describe all other previous musical study, including names of teachers/schools and numbers of years.

3. Describe your musical performance experience.

4. Describe your educational goals, including plans for transfer and planned transfer date if known.

5. Describe your professional and career goals.

6. List the pieces in the recordings you are submitting with this application. If invited to audition, you should perform the same pieces. Composition applicants may present recordings at the audition.

7. If you are accepted into the Applied Music Program, do you have a preference for who will be your instructor?

8. If invited to audition, which of the following best applies to you?

I'm applying to study composition and will be presenting scores and recordings (i.e., no live performance).

My audition pieces do not require an accompanist. *Note: Works with a written accompaniment must include it.*

I would like SMC to provide a piano accompanist (free!) for a ten-minute rehearsal and the audition.

I will provide my own accompanist.

I would like help to determine the answer that best fits my situation.

9. If accepted into the Applied Music Program, would you participate while concurrently enrolled in high school?

No

Yes

10. Have you completed a bachelor's degree (or higher) in music?

No

Yes
