Business Hours: Mon. – Fri., 8:30 a.m. – 4:30 p.m.

Telephone: 310-434-4306

Email: emeritus@smc.edu

Web: smc.edu/emeritus

ENROLLMENT SERVICES OPTIONS

You must enroll every semester. *For the Summer 2022 session, you may initially enroll in a maximum of three (3) classes. When classes begin, this cap will be lifted, and you may enroll in additional classes when space is available. Please note: The same enrollment rules apply, so you will not be able to enroll in duplicate sections of the same course or enroll in a class that causes a time conflict.*

NEW AND RETURNING STUDENTS

NEW STUDENTS are students without an SMC Student Identification Number. RETURNING STUDENTS are students who have been away from classes for three or more semesters. New and returning students may register and enroll using either the application form in the back of this schedule or the fillable PDF application at smc.edu/emeritus. Please note that a typed signature on the fillable online application is

acceptable. Please send the completed application as an attachment to emeritus@smc.edu. Applications mailed or placed in the SMC Emeritus mail slot located near the front door of 1227 2nd Street must be received by the Friday before the first day of enrollment. After you complete your registration, you will receive an email with your student ID number, username, and temporary password to activate your SMC online account, along with instructions to follow at smc.edu/activate.

CONTINUING STUDENTS

CONTINUING STUDENTS are students actively enrolled in the current semester or either of the previous 2 semesters. Continuing students may enroll online at smc.edu/cc or by using the fillable PDF application available at smc.edu/emeritus or by using a paper enrollment application. At least two weeks prior to the start of enrollment, Continuing Student Enrollment Cards will be mailed to the address on record. At the top of the form, you will find your online enrollment appointment date/time that will rotate to an earlier appointment each semester. For immediate processing, enroll online on your appointment date/time (or anytime thereafter) using the SMC Corsair Connect Enrollment System at smc.edu/cc. If you are not assigned an online enrollment appointment, you **cannot** enroll online.

If you prefer, you may use the fillable PDF application at smc.edu/emeritus, your Continuing Student Enrollment Card, or the paper application form at the back of this printed schedule, and send all registration materials as an email attachment to emeritus@smc.edu. Only continuing students who received an enrollment appointment may use authorization codes given to them by faculty to enroll in closed classes after the start of the semester. If you receive an authorization code from an instructor for a closed class, enroll in the class online at smc.edu/cc. If you have not previously activated your SMC online account, you must use your student ID number, username, and password to complete the one-time process at smc.edu/activate.

ONLINE ENROLLMENT SYSTEM FOR CONTINUING STUDENTS: CORSAIR CONNECT

The online enrollment process at Emeritus takes place through SMC's Corsair Connect system at smc.edu/cc. Online enrollment appointments are computer generated and rotate to a previous day each term. Online enrollment gives continuing students the best odds for successful enrollment. Enroll online on your appointment date/time or any time thereafter. Detailed online enrollment instructions are available online at smc.edu/emeritus or in the Emeritus Enrollment Services Office. Emeritus mini computer lab volunteers can assist you with online enrollment when the mini lab is open.

- Go to smc.edu/emeritus – click on the helpful links located on the left side of the page for instructions for online enrollment, Corsair Connect, a searchable schedule (to find which classes are open), and other useful information.
- Go to smc.edu/cc – use “Corsair Connect” to enroll online. Make sure you have your SMC/Emeritus username, password, and desired class section numbers available. If you cannot log in or have forgotten your password, please see smc.edu/studentithelp.

Information SUMMER 2022

- The link to the searchable schedule is located EITHER under the “In this section” OR on the left side of the smc.edu/emeritus webpage, depending on whether you are using a desktop computer or a mobile device/Chromebook. Once on the searchable schedule page, select the (1) Semester (e.g. Winter 2021), (2) Class Type (Emeritus), (3) Class Modality (All), and (4) Class Status (Open & Closed). Scroll down and click the “Search” button. A listing of classes will appear below the “Search” button. Click the right arrow at the bottom of the page to access the next set of classes.

APPLICATION FORM ENROLLMENT

The fillable PDF application form is available online at smc.edu/emeritus. A typed or signed signature is required before sending the application as an email attachment to emeritus@smc.edu.

If you choose to use the paper application located in the back of this schedule, please scan/take a photo and email with the completed form to emeritus@smc.edu.

- Fill out the form completely, sign, date and provide an emergency contact and number on the form.
- List courses in priority order. Do NOT enroll in duplicate sections of the same course or classes that overlap in time.
- Write “Alt” to indicate your second choice for a better chance of getting a course of your choice.
- Write in a personal email address on your enrollment form.

If you cannot email the application form, you may mail or place forms into the SMC Emeritus mail slot located near the front door of 1227 2nd Street no later than the Friday before the first day of enrollment, or your enrollment form will not be processed. All enrollment forms — whether emailed, placed into the mail slot, or mailed — are processed on a daily basis after all the online appointments have expired.

NOT ABLE TO ENROLL?

If you are unable to enroll because of missing application information, a required instructor code change, unpaid for-credit course fees, a records hold, disqualification status, or any other reason, please contact the Emeritus office for information. If you are unable to enroll due to a closed class, please see the Closed Classes/Wait List section below. If you are having any other enrollment issues, call the Emeritus office at 310-434-4306 for assistance.

TRANSACTION RECEIPT/CONFIRMATION OF ENROLLMENT

If you enroll online, you will not be sent a transaction receipt via US mail. Instead, you must print your transaction receipt through the Corsair Connect online enrollment system. If you have submitted a paper application for enrollment, you will receive a transaction receipt via US mail. If a class you selected is not listed, then that indicates that the class is filled, or that there is a time conflict with another class you enrolled in, or that you tried to enroll in two sections of the same course. The class ID numbers are listed on the upper left of the confirmation/receipt.

CLOSED CLASSES / WAIT LIST

For closed classes, if you enroll online, you can add yourself to the wait list by clicking “Wait for a Class.” if you submit a paper enrollment form, you will automatically be added to the wait list. The maximum capacity for a wait list is approximately 30% of the maximum capacity for the class. The wait list is in chronological order, with the student who joined the list the earliest at the top (#1). Once the class starts, instructors will use the wait list as a reference to issue authorization (add) codes or sign add cards/continuing student forms. The wait list will be updated as students enroll in the class or remove themselves from it. When a seat opens up in a class, all active students on the wait list will be sent an Open Seat Notification to their SMC email account. Enrollment for the open seat is on a “first come, first to enroll” basis, so whoever enrolls first gets the available seat. Being on the wait list and receiving an Open Seat Notification does not guarantee an actual seat to anyone. For a better chance of getting the open seat, check your SMC email regularly and register online.

GENERAL INFORMATION AND ENROLLMENT TIPS:

- Courses are free but we gladly accept donations.
- Attend the first class or you may be dropped. Regular attendance throughout the semester is expected or you may be dropped from the class.
- Low enrollment and low attendance may cause class cancellations.
- Only enrolled students may attend and participate in class.

ADDRESS CHANGES

For address changes, either use an address card or make changes online at smc.edu/emeritus. In the menu on the left of the page, click on “Corsair Connect (Online Enrollment & SMC Email)” and log in. Then, click the “Enrollment” blue tab/link in the middle of the page. From the left menu, click “Profile/Preferences” and update your address, then press “Submit Changes” at the bottom of the page to save the new information.

EMERGENCY INFORMATION CARDS

Help us help you. Make sure your emergency information is current each term.

SCHOLARSHIPS/GRANTS

Scholarships and grants are available for materials or books for students experiencing financial difficulties. Make a confidential request to the Program Coordinator by calling 310-434-4306.

See page 8 for more distance education information.

DISTANCE EDUCATION INFORMATION

In order for instructors to provide students with distance education class information, ALL students must set up or activate their SMC **Corsair Connect** account. Through Corsair Connect, you can view enrollment results, enroll online after your initial semester as an SMC Emeritus student, and receive communication from your instructors through your SMC student email account.

ONLINE CLASSES

You will attend classes and activities online over the internet using a computer, smartphone, or other suitable device (iPad, Android tablet, Chromebook, etc.). If you do not have a suitable device, contact the Emeritus office to discuss options.

Course materials, including Zoom links for class, will be sent to your SMC student email address, which is automatically created for you upon admission (see below).

PERSONAL EMAIL ADDRESS IS REQUIRED

As of February 1, 2021, you are required to have a personal email address.

While SMC will communicate with you primarily through your SMC student email address, your personal email address is **required** so you can receive startup instructions. You may provide your personal email address by going to smc.edu/emeritus, clicking on “Application Form,” and emailing the completed form to emeritus@smc.edu.

If you have an active Corsair Connect account, you may provide or change your personal email address after login at smc.edu/cc.

1. Click the Enrollment tab;
2. Click on Profile/Preferences; and
3. Add your personal email address.

WHAT WILL BE SENT TO YOUR PERSONAL EMAIL ADDRESS

SMC will email three items of information to your personal email address after you are admitted. You may have to click on a button in an email to receive additional information in another email. You will be sent:

1. Your SMC student ID number,
2. Your assigned SMC username,
3. Your temporary password (which is in the same email as your username).

YOUR ASSIGNED STUDENT EMAIL ADDRESS

Upon your admission, an SMC student email address is automatically created for you. Check your student email account often, as most communication from Emeritus will be sent to your student email address. Go to smc.edu/google for more information.

Student email addresses are provided by Google Gmail, but each address ends with @student.smc.edu. Your assigned SMC student email address is always your **SMC username** followed by @student.smc.edu

Example username: **last_first01**

Example student email address: **last_first01@student.smc.edu**

WHAT TO DO

- A. After you receive the three items listed above, complete the one-time “activation” of your SMC username, set up your new password, and join the sign-on system by watching the video and following the Emeritus student instructions appropriate for you at smc.edu/activate.
- B. Remember or write down the password you set during the activation. Log in to all SMC computer systems with your SMC username and password.
- C. After you complete the activation, log in to the **Corsair Connect** student self-service system at smc.edu/cc to see the list of classes you are enrolled in.
 - Detailed instructions for Corsair Connect are online at smc.edu/ccguide.
 - You may add or drop classes with a course “section” number, found in the schedule of classes.
- D. Using the SMC@Mail graphic button in Corsair Connect or from the SMC Gmail link on the Corsair Connect login page, log in to your SMC student email account to see if an instructor or SMC has sent you anything yet.
- E. Instructors usually send course materials, including Zoom links, a day or two before the first class. If you do not receive your materials by then:
 1. Find the instructor’s name on your Corsair Connect class list (or the published schedule of classes).
 2. Find the instructor’s email address at smc.edu/directory.
 3. Email the instructor from your SMC student email address. Antispam systems sometimes block emails from nonSMC systems, so anything you send from a nonSMC email address might not be received.
- F. If you have questions about how to add classes, please contact the Emeritus office.
- G. If you have questions about your password, email account, or other College computer technology issues, please see the webpage at smc.edu/studentithelp.

Welcome to SMC Emeritus!

Dear Emeritus Community,

Welcome to Summer 2022!

The first thing you will notice is that we have about 12% of our Summer schedule will be happening in person! Every section is labeled with either a physical location or Online. Class locations are all subject to change, depending on conditions. However, we intend to have the sections that are scheduled to meet in-person remain in-person. In future terms, the ratio of in-person to online sections will continue to fluctuate. We will always maintain a nice online presence...but we will have most likely have half or more of our sections in-person in the future.

To register for an in-person class, you will need to upload your proof of vaccination. If you have not already done so, I encourage you to do so immediately by visiting smc.edu/emmeritus and then clicking on "Submit Proof of Vaccination." Remember, if a class is in-person in Spring or later, and you wish you enroll, your proof of vaccination will need to be on file ahead of time. If you're tech-savvy and can upload it now, I encourage you to do so.

I know the choice to enroll for an in-person class, or online only, remains a very personal choice. You may be happy to see a class you like being scheduled to meet in-person, and you may not. Our program will be increasing our in-person offerings. We will maintain some ability for online participation in some classes in the future. I believe that as the pandemic fades/turns into something more endemic, the vast majority of the Emeritus community will want to return to the in-person and more social environment we were used to. You might have to choose a different section, instructor, or course you are used to taking if your usual preference is offered in a modality that is not your current preference.

Please know that the Emeritus team, Vivian, Jessica, Ashley, the Emeritus faculty, even our new student workers, and myself are working incredibly hard right now and always. If you get a chance, please let the team know how appreciative you are.

By the time you receive this printed schedule, we will be open for appointments only, and again, in-person interactions will require vaccine clearance. Email the office emeritus@smc.edu to schedule an appointment with any of the staff. We look forward to welcoming you back into the Emeritus office in the very near future!

Sincerely,

Dr. Scott C. Silverman
Dean, Noncredit & External Programs

IMPORTANT NOTES TO STUDENTS:

SMC Emeritus will offer **Distance Education (ONLINE)** and **on-ground** classes for the summer 2022 session. The online classes will be synchronous and happen at the time scheduled, through Zoom or another platform. Some will be asynchronous, where you can complete the course on your own schedule. The instructor for each class will send the students on their rosters more information prior to the first class meeting. **Please activate your SMC Gmail account in order to receive your instructor's Distance Education online class access information.**

ARTS & CRAFTS

ART E15, Drawing

This course provides a supportive atmosphere for older adults—from beginners to more advanced students—to explore and experiment with self expression through drawing. Older adult students learn drawing skills, elements of design, composition, and creativity, as well as drawing techniques for representative or stylistic effect. As well, students learn to interpret the perceived “real world” in a two-dimensional field, and to improve their observation and hand-eye coordination. The course focuses on the processes by which one makes art, exposes students to different approaches, and challenges students to think about what they are doing or trying to do.

9501 10:00a.m.-12:15p.m. Th ONLINE Donon S G

Learn the basics of drawing. Good for the beginner and students who would like to improve their drawing skills. It is open to all students.

ART E16, Life Drawing Studio

This course provides an opportunity for older adults to learn to see the human form and draw the anatomy of the human figure. This supportive class explores basic anatomy, movement, and skeletal structure of the figure using live models. Through demonstrations, class exercises, individual instruction, and guidance, beginning students learn basic life drawing skills, while more advanced students sharpen their skills in capturing the physical attributes of the model and expressiveness of the pose.

9503 1:00p.m.-3:50p.m. M EC 1227 205 Adams L K

This section meets at the Emeritus Campus, 1227 Second St.

ART E19, Painting

This course enhances older adults’ artistic creativity and painting skills through positive motivation and instruction in oils and acrylics techniques that may use the palette knife for effect. Older adults learn how to select supplies and equipment, and basic elements of composition. Painting projects, demonstrations, group critiques, and discussions are used to explore two-dimensional artwork.
